The image shows a 'License Moving' dialog box. On the left, there is an icon of a golden key and a globe. Below it, the 'Program information' section lists: Product: RescuePRO Deluxe 5.2.5.6, Type: ACTIVATION, Subscription days: 365, and Issuer: LC Technology International, Inc. The main area contains a list of licenses with the selected one highlighted in blue: 'C:\Users\LCTI-Win10\licman\rpdlic.lic, ACTIVATION (r)'. A red oval highlights this text, and a red box highlights the 'Delete this license' button. To the right of the list are buttons for 'Export', 'Import', 'Use this license', and 'Delete this license'. Below the list, the 'Details of the selected license' section shows: 'C:\Users\LCTI-Win10\licman\rpdlic.lic, ACTIVATION (running as Evaluation version), Machine binding, Subscription days: 365, Issuer: LC Technology International, Inc.' A red warning message states: 'This license type cannot be exported to another computer. Please contact your dealer, if you need an export-enabled license.' At the bottom center is a 'Close' button.

**License Moving**

Allows you to move your software license. For moving a license to another computer or drive, choose 'Export' and choose a folder on a media to store the license (e.g. USB thumb drive). Then choose 'Import' on the destination computer.
